

Stay Clean Shower & Galley Cleaner

Gentle on surfaces yet effective for everyday use. Stay Byotrol Clean™ is great for showers, shower curtains, tables, counters and sinks. It is also excellent for off-season protection of seat cushions and benches to keep mildew stain and odor free.

Stay Byotrol Clean's™ unique patented technology leaves an invisible barrier on surfaces leaving them cleaner longer. When applied according to instructions, Stay Byotrol Clean™ will clean stains caused by algae/mold/mildew while deodorizing surfaces, and will decrease cleaning time after each subsequent application, making it an ideal maintenance cleaner. Gentle on surfaces yet effective for every day use. Great for humid areas such as showers, shower curtains, counters, and sinks.

How to use Stay Byotrol Clean™ Galley & Shower Cleaner:

Spray on counter top, table, shower curtains and walls and other surfaces and wipe with sponge, brush, or cloth ensuring that all surfaces are thoroughly wet; in humid areas, leave wet to air dry. Pre-clean food surface and heavily soiled or stained areas. As surfaces vary, test on an inconspicuous area. After air drying, food prep surfaces should be wiped with potable water.

With regular use, all surfaces Stay Byotrol Clean™ longer and regular cleaning is a breeze!!

When winterizing, for off-season deodorizing protection apply to all these surfaces plus all seat cushions and benches. Allow to thoroughly dry before storing. Apply again prior to boating season. Regular use of Stay Byotrol Clean™ will keep your boat mildew stain and odor free.
