

Marine Products

M6316 – Flagship Premium Marine Wax

Dramatically enriches color and shine of fiberglass and gel coat surfaces. Effective in removing light oxidation and dullness, restoring gloss, and adding protection from UV damage. *Use wax only after the surface has been cleaned and restored to a “like new” or “average” finish

M6424 – Flagship Premium Vinyl & Rubber Protectant

Designed to bring back the original finish, restoring like-new color and shine to all vinyl and rubber surfaces. Provides UV protection, which will reduce damage from the sun. Won't leave an artificial plastic or greasy look on the surface.

M6516 – Flagship Premium Marine Wash

Gentle premium blend shampoo and conditioner enriches fiberglass and gel coat finishes, leaving a radiant shine. Conditioning agents will leave your finish so slick that water actually sheets off, reducing wiping and drying time. Biodegradable and safe for the environment.

M7016 – Black Streak Remover

This safe and instant spray and wipe product will remove all black streaks from fiberglass, metal and painted surfaces. The thick, low drip formulation remains on vertical surfaces longer, making cleaning easier. Safe, non-toxic and biodegradable.

M4416 – Color Restorer

Safely removes light oxidation, stains and blemishes on all fiberglass and painted marine or RV surfaces. Revives faded, oxidized surfaces to their original vibrant color.

M6832 – Non-Skid Deck & Hull Cleaner

Powerful cleaning and degreasing formula designed for non-skid surfaces. Safe, non-toxic formula will remove black streaks, oily film, grease, grime and ground-in dirt. A clean slick hull adds to boat performance. Safe on fiberglass and the environment, no VOC's.

M5016 – Cleaner Wax

A non-abrasive formula that cleans, polishes and protects all boats and RV's in one easy step. Removes light oxidation and haze, minor scratches and swirls. Provides long-lasting protection against salt air, corrosion and the sun's ultraviolet rays. Available in liquid or paste.

M7116 – Canvas Cleaner

Easily and effectively removes dirt and stains from boat covers, bimini tops and awnings in order to restore to their original look and feel. Simply spray on and wipe off, or for more difficult stains, agitate with a brush and rinse. Safe for the environment and biodegradable.

M7221 – Canvas Protectant

Specially formulated to both waterproof and prevent mildew. Easy to apply, simply spray on to any clean boat cover, bimini top, or awning. Once applied, will repel dirt, water and oil based stains. It also provides protection against damaging UV rays which, over time, can discolor or fade the fabric surface.
