

indianapolis green

Indianapolis ... a name which has long become synonymous with the excitement of motor racing.

The unique atmosphere of this circuit has now been captured in a fascinating new color shade.

Indianapolis Green is an intriguing play of colors between a cool, fresh green, violet and a transparent aqua-blue.

EXCLUSIVE LINE

The circuit which inspired the color: The Indianapolis Motor Speedway was designed in 1909 and paved with 3.2 million bricks before the first race took place in the same year. A historic 36 inches of the "brickwork" is all that has been left exposed today.
